**Fire Safety Squad – Home  
Edition  
Challenge #8**

Showing people that you appreciate them is one of the simplest and kindest things you can do. Your parents, teachers, principals, superintendent, janitors, grocery store workers and lots of other people are working very hard right now for you.

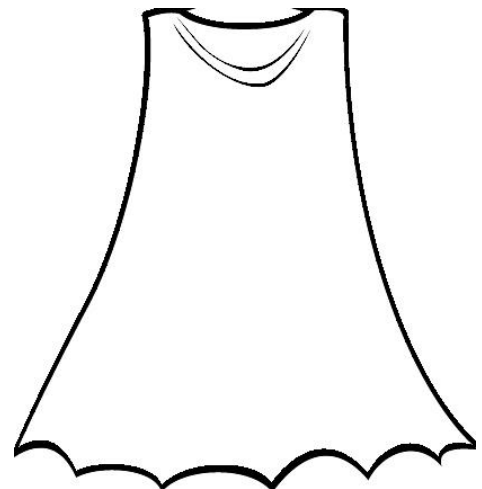

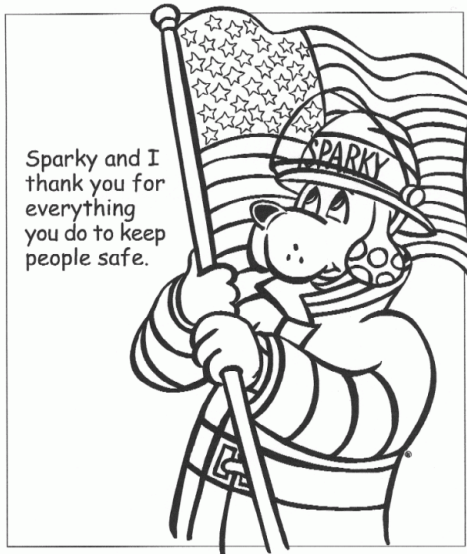

Take a few minutes and write a letter, an email, a message, or a card. Tell one of those awesome hard-working people that you notice and appreciate them. Be a bright spot in someone's day.

We want to thank YOU for taking time with us to learn about safety. We hope you had fun. Because, we sure did!
